DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 12/06/2006 has been considered by Examiner and made of record in the application file.

REASONS FOR ALLOWANCE

2. Claims 1, and 3-6 are allowed over the prior art of record.
3. The following is an examiner's statement of reasons for allowance:

The applicant's Remarks, filed on 12/06/2006, have been carefully reviewed with update search. Consequently, reasons for allowance of claims 1, and 3-6 are set forth in the following.

Regarding claims 1 and 6, the prior art made of record fails to clearly teach or fairly suggest the method and apparatus of a radio transmitting multicarrier system in which data is transmitted using subcarrier includes block section, scheduler, and controller determines the number of subcarrier per block based on a maximum delay time of a signal received by the receiving station, in combination with other limitations, as specified in the independent claims 1 and 6, and further limitations of their respective dependent claims 3-5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
